### Polls to Be Open On First Floor, Starting at 8 a. m.

Highlighting tomorrow's events on the campus will be the election of the Homecoming queen. The polls will be open from 8:00 to 4:00 on the first floor of the Administration building.

Beverly Murphy is the Alpha Sigma Alpha sorority and the Tau Kappa Epsilon fraternity candidate for Homecoming queen. Beverly is a senior, of St. Joseph. This year she is the head cheerleader for the Bearcats, president of the Alpha Sigma Alpha sorority, secretary of the Pan-Hellenic Council, co-chairman of the Homecoming Committee, representative to Dorm Council, and a member of A. C. E. Joe Ochoa, of Kansas City, and Bob Moran, of St. Joseph, are the campaign managers. Both are seniors and members of the Tau Kappa Epsilon fraternity.

Edith Eckhoff, from the Panama Canal Zone, is the representative of the Delta Zeta sorority. Edith is a sophomore and a member of P.E.M. Club and Swim Club. Her campaign manager is James McIntyre, junior, of Maryville.

Donna Sue Jones, sophomore, of St. Joseph, is a candidate from the Sigma Sigma Sigma and Phi Sigma Epsilon organizations. Donna Sue is a member of the Student Senate and of A. C. E. and she is an officer in the Swim Club. Her campaign managers are Ron Searcy, senior, of Albany, and Jerry Overton, senior, of Atchison, Kansas.

Sarah Porter, the Independent Club queen candidate, is a sophomore of Farley. Sarah is a member of P.E.M. Club, and she was an attendant to the IC Winterland Dance Queen. Gary Tolen, a junior, of Gallatin, is the campaign manager.

### Ten Organizations Decorate Houses

Ten organizations are constructing house decorations for part of their Homecoming competition. The displays will be judged Friday night and Saturday morning; cash prizes will be awarded to the winners. First place will receive \$30, second, \$25; third, \$20; fourth, \$15; fifth, \$10; and honorable mention.

Groups who have entered decorations, the owners and the addresses of the houses at which the displays can be seen, and the themes of the decorations are as follows: ACE, Elmer Johnson, 401 West Fourth, "First We Warned Them, Now We Mourn Them"; Independent Club, Dale Mitchell, 540 West Fourth, "We've Got the Winning Combination."

Colhecon, Home Management House, College Drive, "We'll Sweep Them Out"; Phi Sigma Epsilon, Mrs. J. W. Hake, 608 College Avenue, "You'll Wonder Where the Rules Went When We Brought Our Teeth With Bearcat Dent"; Alpha Sigma Alpha, F. M. Townsend, 640 College Avenue, "Don't Clown Around With the Bearcats."

Sigma Tau Gamma, Louis Richardson, 620 College Avenue, "The Tau-Typer"; Tau Kappa Epsilon, John Price, 714 College Avenue, "Blast'em Bearcats"; Delta Zeta, Don Alexander, 322 North Mulberry, "We're Armed for 'Em"; Alpha Phi Omega, Raymond Arthur, 415 West Fourth, "Knock 'Em Down Bearcats"; Sigma Sigma Sigma, Ellis Meek, 910 College Avenue, "Strut Your Stuff."

### Seminar to Study Teacher Qualities

"Qualities of Experience for Prospective Teachers," taken from 1957 publications of the American Association of Colleges for Teacher Education, is the topic of the student seminar scheduled for tomorrow afternoon.

At the beginning of the seminar a brief analysis of student teaching reports will be given to determine whether student teachers are realizing the full extent of their experiences or not, according to Dr. Leon Miller, chairman of the education department.

After the analysis, an open discussion is to be held. The plan has not yet been entirely completed, but as it stands now, six qualities are identified. These qualities will be broken down in component parts and one part assigned to each of twenty-five student teachers. The teachers will tell how they have tried to realize that part in their student teaching program.

### Crowning of Queen Highlights First Variety Show Program

Crowning the 1957 Homecoming queen will highlight the first performance of the Variety Show which will get under way tomorrow night at 7:30 p.m. During tomorrow morning and afternoon the student body will choose its queen from the following four candidates: Beverly

Murphy, Alpha Sigma Alpha; Donna Sue Jones, Sigma Sigma Sigma; Sarah Porter, Independent Club, and Edith Eckhoff, Delta Zeta.

Friday the repeat performance of the Variety Show is scheduled for 8 p.m. The queen and her court will be presented during Friday night's program.

Because a number of students are ill, the complete list of the organizations which will enter skits will not be known until later today or tomorrow. Tryouts for numbers between the skits and for emcee of the show were held last Thursday from 4 to 5:30 p.m. in the auditorium. The groups who plan to enter plays in the show will complete their practicing today.

#### Cash Prizes to Be Given

Following the decision of the Homecoming committee, only cash prizes will be awarded to the winners. The first prize will be \$25, \$20 for second, \$15 for third, \$10 for fourth, and \$5 for fifth. Points toward the Supremacy Cup will not be granted. The postponement of the cup has been postponed until the 1958 Homecoming results are computed.

Barbara Julius and Don Pierpoint are co-chairmen in charge of planning the Variety Show. Helping them are Jo Parent, ushers; Lew Maris, program; Darlene Vonderschmidt, tickets, and Gloria McConkey, production. Harlan Higginbotham is in charge of making arrangements for the coronation of the queen.

#### Rally After Show

After the crowning, Don Kixmiller will lead an on-stage pep rally. Helping him will be the other cheerleaders—Joyce McCoolle, Carolyn Ogden, Gaye Laughery, Carol Shores, Beverly Murphy, Myrna Olson, Mary Alice Bowman, and Ron Kixmiller.

Faculty members of the committee are Dr. Ralph Fulsom, Dr. Frank Grube, Mr. George Hinshaw, L. G. Bladt, and Mrs. Alice G. Wilson.

### Freshmen, Notice!

All freshmen who have been assigned to the Reading Clinic supervised by Mr. Ralph F. Cater must attend classes and do the required work. Grades will be withheld until the reading requirements are met. Attendance is compulsory!

### Vocalist to Sing Traditional Songs

Miss Cynthia Gooding will present "Folk Songs of All Nations" in the 2 p. m. assembly, Monday, November 11.

With the accompaniment of her hand-made Chilean guitar, Miss Gooding will sing traditional songs of many countries, including Mexico, Spain, Turkey, Italy, France, England, and the United States.

Miss Gooding sings folk songs in a style as near as possible to that in which the songs were originally sung. She does not try to glamorize folk songs as "pop" songs.

Miss Gooding, who was born in Minnesota, was gifted with an unusual ear for music and with innate mimicry. She picked up many old American songs from her grandmother. Foreign languages fascinated her, and with her sensitivity to sounds, Cynthia Gooding is able to sing as the natives do.

### Parade to Begin On College Avenue At Ten o'Clock

The parade line-up will begin at 9 a.m. on College avenue and the general area of the College parking area across from the tennis courts. The parade will start at 10 a.m.

At present the parade consists of seventy-six units, including fifty-one high school bands and more than two thousand persons participating.

There will be seventeen floats, including the beauty and humorous ones, twelve jalousies and approximately twenty clowns.

The parade will be led by the College marching band, which will proceed from the College entrance east on Fourth Street to Buchanan, then south to First Street and east to Main Street.

From the corner of First and Street, it will go past the judge's stand, which will be on the west side of the courthouse square.

### Fifty-one Bands To Play in Parade

Fifty-one bands have now reported to take part in the Homecoming parade. These bands with approximately 2,650 members have been divided into classes according to the number enrolled in the school. They will be classed as A, B, and C.

Eight bands have reported this week. The Iowa bands include Clearfield, Lineville, and Bedford. Missouri bands which have reported this week are Maitland, Maryville, Fillmore, North Harrison in Eaglefield, and Central High School in St. Joseph.

### College Regents Accept Bid For Classroom Construction

The Thomas Construction Company of Maryville and St. Joseph submitted last Wednesday the low base bid for the new State College classroom building, according to President J. W. Jones.

The low bid was recorded at \$1,117,199 when the Board of Regents opened three bids. Alternate bids may change that, President Jones has said.

The college has been awarded \$1,150,000 from the state's \$75,000,000 building bond issue. The money is supposed to include the building and some equipment.

#### Alternate Bids Will Be Used

Since the bid Wednesday was so close alternate bids will be used so that more money will be available for equipment.

Other bidders were Hunter-Lundsberg, Topeka, Kas., at \$1,122,900, and Lehr Construction Co., St. Joseph, \$1,186,810.

The bid Wednesday was the second gained by the Thomas firm, of which Howard Thomas, Maryville, is a partner.

#### Firm Has Another Contract

Two months ago the firm was awarded the contract to build two new dormitories for men and women in a \$1,235,000 program.

Both the classroom and the dormitory construction will be completed by the opening of school next fall, it is indicated.

The bid letting was the third session under a nearly \$3,000,000 expansion program planned at the College.

#### New Gymnasium to Be Built

Also to be included in the program is a new half-million dollar

gymnasium, which is supposed to be completed by the opening of the 1958-59 cage season. Currently a modernization program for heating is underway in the Administration building.

Present at the Board of Regents meeting were M. E. Ford and Harold Hull, both of Maryville; W. M. C. Dawson, Grant City; A. B. "Dutch" Vogt, Stanberry; and H. N. Stevenson, St. Joseph. Also in attendance, besides Dr. Jones, were E. O. Bayerl, Kansas City, and Ray Hershman, St. Joseph, architects; and Luther Belcher, College business manager.

### Committee Abolishes Point System for 1957

At a special meeting of the Homecoming Committee Tuesday, October 22, members voted to disregard the point system for judging Homecoming events this year because of the illness of many members of the various campus organizations.

Cash prizes will be awarded as previously announced, but the supremacy trophy and individual trophies will be held over until next year.

## Debate Students To Participate In Novice Tourney

"Debate and discussion" students are planning to participate in the Tenth Annual Novice Tournament which is to be held at Kansas State College, Saturday, November 9.

Among those who will go to the tournament are Larry Brown, Paul Heavilin, Salvatore Malatino, Tom Mooberry, Pat Murphy, Sarah Porter, Roger Reith, Gary Smith, James Taylor and Francis Williams.

Here is a list of other tournaments that the debate and discussion members plan to participate in. On November 15 and 16, they will go to State College at Edmond, Oklahoma. The following week on November 22 and 23, the tournament will be at Bradley Institute, Peoria, Ill. On December 13 and 14 they will go to Southwestern College at Winfield, Kansas.

The tournaments include debate, discussion, extempore speaking, original oratory, radio newscasting and a number of other events.

Anyone interested in participating is asked to see Mr. George A. Hinshaw in room 118.

Nine students are in the debate and discussion class, but other students may participate in the tournaments.

## Coach Influences Students of Zone

Five students here from the Panama Canal Zone had the same answer when asked "Why did you choose to come to this particular college?"

All agree that the coach at Cristobal High School in the Zone is the influence that brought them here. Coach Luke Palumbo and his wife, of Cristobal, are both graduates of this college. Besides his duties as coach, Mr. Palumbo is also a health and science teacher.

Luke Palumbo, Jr., Edith Eckhoff, and Caroline Hauser are sophomores here, and Vernon Bryant and Dorothy Hauser are freshmen.

Although these students are from the Panama Canal Zone, they are United States citizens. Edith's parents are from St. Louis, and Vernon's are from Georgia and Maryland. Caroline and Dorothy's father is a native of New York and their mother was born and reared in Italy but is a naturalized citizen of the United States.

## Foreign Students Fill Speaking Engagements

Various clubs and social organizations are interested in becoming acquainted with foreign students, in knowing more about other countries—the domestic life, the types of houses, the building materials, conveniences, food, and clothing.

In order to do this the presidents of clubs and social organizations get in touch with Dr. Joseph A. Dreps, the foreign students' adviser, to arrange speaking engagements.

This fall, 12 speaking engagements have been filled by the foreign students—Sara Figueroa, Mexico City, Mexico; Vasilias Dermizakis, Crete, Greece; Nosrat Shilati, Tehran, Iran, and Byung Zin Bai, Seoul, Korea.

## Kixmiller Becomes Sophomore President

President and treasurer of the Sophomore Class were elected at a special class meeting called last Tuesday by Bill Morse, student senator.

Ron Kixmiller won over Chuck Stadler for president, and Fred Fuhr defeated Bill Joyner for treasurer. Jim Mitchell, vice president, and Donna Hall, secretary, had been elected in a former meeting.

## Schedules to Be Set

Women's Intramural Council will meet at 4 p.m. Monday in room 115 to formulate schedules for basketball, bowling, and riflery teams. The tournaments are scheduled to start the week of the eleventh.

"DID ANY OF YOU HAPPEN TO FIND THAT BOTTLE OF ALCOHOL THAT WAS MISPLACED YESTERDAY?"

## Maryville Police to Help . . .

Maryville police will be called on to prevent traffic congestion during the annual Homecoming Parade, November 2. Traffic will be re-routed through the east part of town to prevent possible traffic tie-ups.

Four regular policemen and three auxiliaries will be on duty with three Highway Patrol troopers and twelve National Guardsmen.

All visitors and students are requested to give their full cooperation to the police force in an effort to cause as little friction as possible.

Following about the same route as last year, the parade will proceed east on West Fourth street to Buchanan street, south to West First street, east to Main street and north to Seventh street, where it will disband.

THEY'RE TALKING ABOUT . . . the Yul Brynner haircuts displayed by a few of the freshman boys . . . the various pledge classes and which one is the cream of the crop . . . how convenient the Monday morning assemblies are for those students who don't have their assignments ready to hand in—are "you" guilty?

## The Stroller . . .

THE STROLLER certainly hopes this damp, gray weather clears. He observes that the leaves haven't been falling in the normal way; they have been beaten down by the cold rain. The last few years the sun has peeped out from under the clouds at least long enough for the Homecoming parade. The weather, as it has been recently, would be mighty cold on those bare legs of the majorettes!

MANY FAMILIAR faces have been missing from the campus these last two weeks. Even some of the hardy Bearcats are down. The Stroller wakes up every morning expecting the flu bug to have caught up with him. But since he has faithfully taken aspirins, has drunk lots of fruit juices, and has slept a minimum of eight hours a night, he may be one of the lucky ones who will stay on their feet. Readers—follow his advice and he'll guarantee you that you will have less of a chance of getting sick.

WHAT HAPPENED to the lights? That's what the Stroller has been wondering. Music students didn't seem too depressed, as a few of the fourth floor classrooms were too dark for classes. The Stroller was wandering around, and he noted that the MISSOURIAN office was prepared for just such an emergency. He peeped in and saw reporters writing news by candlelight. Just like the old days!

## Students May Receive Theological Benefits

Students desiring to become ordained Protestant ministers may obtain Rockefeller grants from the Rockefeller Brothers' Theological Program.

University and college graduates possessing qualities of Christian character and personality are eligible for this program. It is intended for students who have not yet decided upon their life's work.

Limited to students thirty years and under, all nominations are to be submitted prior to December 1, and interviews will be given. The final selections will be made in March of the following year.

One year of study is provided by this program, and since the student is expected to determine during the year whether he wishes to continue preparation for the ministry, the grants are not renewable.

Dr. H. G. Dildine of the faculty has worked on the Theological Fellowship Program for some years. He is now in a state of semi-retirement and is being succeeded by Mr. William Garrett, chairman of the biology department.

## The Day!

## Are You Ready?

Homecoming! The parade! The game! The dance! These words are echoing through the halls of the Administration building as the big day creeps closer and closer.

Underneath these echoes are heard low, rumbling sounds. The muffled, monotonous words suggest that something unbearable will soon hit the campus.

What could it be? Scientists have not even guessed that Sputnik will make a nose-dive on the campus. What is going to happen?

After much effort on the part of the Missourian staff, two distinct words were deciphered from the rumble—mid-term tests. Ugh! They could even be worse than Sputnik!

But they could be better. The way in which you launch the facts will be the determining factor.

## Students to Give "Charley's Aunt"

"Charley's Aunt," a comedy to be presented by the speech and drama department, November 26 and 27, is a world famous play which has put thousands in laughter and tears.

Briefly, the story is as follows:

Jack Chesney, who is in love with Kitty Verduin, and Charles Wykeham, in love with Amy Spettigue, invite their young lady friends to their room for a luncheon. There they are to meet "Charley's Aunt" from Brazil, but she sends word that her visit will have to be postponed for a few days.

Charley and Jack, not wanting to disappoint the girls, force Lord Babberley, another Oxford undergraduate, into a disguise as "Charley's Aunt." So he, or rather she, is introduced to Amy and her guardian, Stephen Spettigue, and to Jack's father, Bart, and to Kitty. The sweethearts hug and kiss her, and the two men make love to her.

Meanwhile, the real aunt shows up to add to the confusion and assumes a different name. Lord Babberley, while posing as "Charley's Aunt," gets Stephen to agree to let Amy marry Charley. The real aunt marries Jack's father, and Jack gets Kitty.

Dr. Ralph E. Fulsom, chairman of the department, is directing the production.

## Librarian to Be Danforth Chairman

Dr. J. W. Jones, president, has named James Johnson, librarian, to be the liaison officer for the 1958 Danforth Foundation fellowships this year. Mr. Johnson is to nominate not fewer than two or more than three candidates for this honor.

Danforth Foundation, an educational foundation in St. Louis, is inviting applications for the seventh class of Danforth Graduate Fellows from senior men and recent graduates who are preparing for a career in college teaching.

Candidates must be men who have outstanding academic ability, personality congenial to the classroom, and integrity and character, including serious inquiry within the Christian tradition.

## Freshmen to Get Interviews Soon

Beginning next week, freshmen may make appointments with Dean Charles Koerble to see the results of the battery of tests they took during Freshman Orientation week. The Dean will discuss with the freshmen the strength and weaknesses of the student as shown by the tests.

Appointments may be made through Mrs. Faye Sherman, secretary to the Dean.

Seven tests were included in the battery. Three of them were on communication skills, and others covered natural science, social studies, and mathematics. The seventh examination was an academic aptitude test.

NEW U-SHAPED CLASSROOM BUILDING . . . Members of the Board of Regents have awarded the contract for construction to the Thomas Construction Company of Maryville and St. Joseph.

## Panel Members Discuss Faculty Ranking Plan

Members of the American Association of University Professors discussed the use of a faculty ranking plan when they met in the Union for a dinner meeting Thursday evening. Responsible for the program was Dr. Berndt Angman, program committee chairman.

Participating in the panel discussion were Dr. Dale Blackwell, of the business department; Dr. John Harr, chairman of the social science department; Mr. Gerhard Krapf, of the music department; and Mr. W. # Maryville Bearcats Play Host To Warrensburg Strong Men

## Saturday Contest To Start at 2 p. m.

Homecoming is usually one of the brightest spots during the football season; however, last year the Bearcats were beaten 10-7 by Springfield. It was the first Homecoming loss in some time, and the Bearcats will be seeking to return to the winning side in a two o'clock Saturday afternoon game which will see them pitted against the Mules from Warrensburg.

Expecting to be at full strength, the Bearcats should have little trouble with the Mules.

Henry Saggau and Fred Fuhr lead the Bearcats in scoring with twenty-one and twelve points, respectively, and Kennie Stevens took over the top spot in pass receiving in the conference last week and continues to lead in that department.

Warrensburg's Mules have a total of eleven returning lettermen from last year's team, which tied Rolla for the conference title. The eleven players are Gene Augustine, full back; Jerry Burgoyne, half back; Stanley Hensley, half back; Robert Irvin, end; Lon Larson, tackle; J. W. Mallison, tackle; Gene Masters, guard; Don McCormick, end; Al Salmon, guard; Don Snider, end; and James Thomas, tackle.

Coach Harold "Hal" Yinger's team is using the split "T" this year and expected Rolla and Springfield to give the Mules the most trouble in the conference. So far, everyone has given them trouble, as they are looking for their first win of the season.

Stanley Hensley and James Thomas will be the co-captains for the games.

Leading the scoring for Warrensburg are Patrick and Dahman with two touchdowns apiece.

## Once Again Poet Views League Games and News

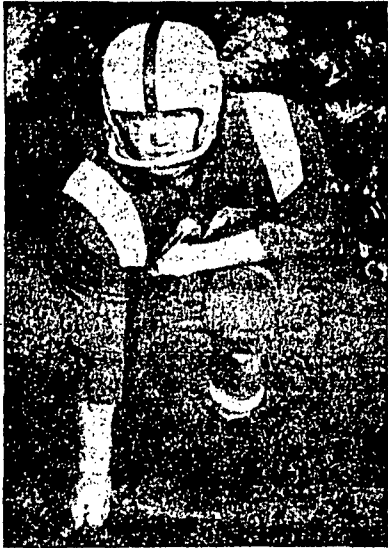

Springfield's Bears remained on top . . . Because Kirksville they did stop . . . Rolla's Miners are up there, too . . . And because of it the 'Cats are blue . . . Cape and Warrensburg fought to a tie . . . As the game ended both gave a sigh . . . If this season doesn't end soon . . . I'll end up as batty as a loon.

Ray Parker of Rolla remained the top scorer with 30 points in conference play and a season total of fifty-one.

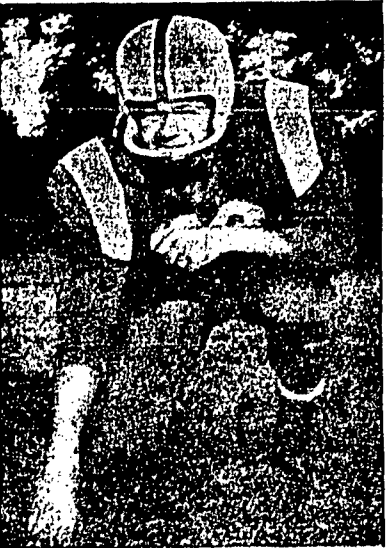

Henry Saggau moved up to second place in passes and Dick Powell rose to fifth place. Ken Stevens is the leading pass receiver with ten catches for 117 yards.

Scores of last week's games are as follows: Cape Girardeau, 20, Warrensburg 20; Springfield 32, Kirksville, 20; and Rolla 37, Maryville 21.

Ken Stevens Kennie moved into the spotlight last week by taking over the top spot in pass receiving. A senior, he has also scored ten points to rank third for the Bearcats and has a good chance to be selected to the All-Conference team this year. All Photos Taken by George Green

# Roundball Season Approaches; Returning Lettermen Work Out

Fred Fuhr Fred is second in scoring for the Bearcats and is the leading ground gainer on the team.

Basketball season is approaching very fast and will not come a minute too soon, as the weather indicates. "Round Ball," as it is often referred to, is the sport for fans who like the "great indoors."

For these fans, here are the names of a few of the members of the squad working out in hopes of forming this year's Bearcat basketball squad. Back from last year are lettermen Marlin Ray, Merle Sorenson, Leland Jackson, Don Eklund, L. D. Young, Charlie Goff, Ron Partridge, and Butch Kavanaugh. Sam Porter and Ken Jacobs return from the "B" team.

'Cats Have One Senior

L. D. Young is the only senior on the squad at the present, but Ron Partridge will join practice after football season is completed.

Head Basketball Coach Bob Gregory reports that approximately sixty men had indicated a desire to play basketball but that only forty of those put in an appearance for the four practices held last week.

First cuts were on Monday and Tuesday with the final squad to be selected later.

Season Opener at Home

All indications point to an interesting season as the varsity opens a twenty-game schedule, December 2, against Washburn University in the College gym.

Ten games will be offered to the "B" squad this season.

## Random Shots . . .

Although met with an unexpected threat of upset in the opening half, the Rolla Miners overpowered the Marville Bearcats in the final half to take a 37-21 decision from the Cats.

One of the highlights of the game was the running of Corwin Ingram, reserve back from Mt. Ayr, Iowa. Ingram scored the Bearcats' second touchdown on an eight yard burst through the middle. Switzer sparkled on defense for Maryville, while Ken Stevens turned in another fine performance.

Rolla, one of the defending co-champions, appears to be the team to beat for the 1957 MIAA football crown. Rolla Miners, thus far, have won their first two conference contests by considerable margins, while Springfield Bears, also strong bidders for the conference title, have squeezed by their first two conference foes.

Maryville owns an impressive 10-1 homecoming football record. The Bearcats had previously won ten straight homecoming games before dropping their first to Springfield, last year, by a score of 10-7 in the closing minutes. Let's try to make it an 11-1 record.

Intramurals provide much activity for students on our campus. The most recent of intramural sports in tournament play is smash. The tournament was started Oct. 24, at 4 p. m.

# Tale of Two Cities!

Among Western Hemisphere cities with the largest per capita enjoyment of Coca-Cola are, interestingly enough, sunny New Orleans and chilly Montreal. When we say, "Thirst Knows No Season," we've said a cheerful mouthful.

So don't take any lame excuses about its not being hot enough for Coca-Cola. Forget the temperature and drink up!
